*Assistant Superintendent*

Noreen Leahy, Ed.D.  
*Assistant Superintendent*

March 24, 2020

Dear Parents of students in Grades Kindergarten through 3<sup>rd</sup>,

Due to Governor Cuomo's Executive Order, we will no longer be permitted to gather teachers together to create and print packets for students in Grades Kindergarten through 3<sup>rd</sup> Grade. As a result, if schools are not reopened as of April 1<sup>st</sup>, we will have no choice but to transition to a digital learning plan for these students. Teachers are currently being trained in an app/platform called 'Seesaw'. This program will be the means by which we will post work and students will submit their completed work to their teachers.

Third grade students have already been provided iPads. The 'Seesaw' App has already been loaded on those iPads.

'Seesaw' can be accessed on any personal desktop, laptop or mobile device. However, if there is a household where students are attending Kindergarten, First or Second Grade, who do not have a device that can be used for 'Seesaw', we will provide one. We ask that you email us at [devicerequest@rvcschools.org](mailto:devicerequest@rvcschools.org) to request one. In the email, please provide us your name, your home address and the student's name. Upon receipt of your email, we will provide directions for device pickup. At this time, we will provide one iPad per family for Kindergarten through Grade 2 students.

In the coming days, you will receive an email from your child's teacher on how to sign up and use 'Seesaw'. I thank you for your continued support and cooperation. We look forward to maintaining the positive relationships between your children and their teachers.

Sincerely,

William H. Johnson  
Superintendent of Schools
